

# Topaz cake display

self contained

Electronic controller

Adjustable shelves

Heated glass front and sides

LED lighting

10 Amp power

Topaz cake and food display cabinets are perfectly suited to the fast-growing café market for those with a budget in mind and they come available in four widths from 900mm to 1800mm as well as 2 different heights. The standard height units are 1200mm H with 2 adjustable shelves and base, while the tall units are 1380mm H with 3 adjustable shelves and base. These units also feature energy efficient LED lighting throughout.

## Advantages

- Designed for 32°C/65% ambient operating environment
- Adjustable electronic controller with two digital temperature displays
- High efficiency, long life LED strip lighting under each shelf and glass top
- Ventilation at rear of cabinet
- Auto defrost utilising waste heat recovery vaporiser
- Double glazed flat top glass
- Double glazed heated glass panels on front and both sides
- Two adjustable shelves (height and angle) plus base (three for HTCH model)
- Sliding double glazed rear doors
- Packed for shipping in a crate (forklift required)
- Supplied on castors
